Food & Agriculture Organization of the United Nations (FAO). Paperback. Book Condition: new. BRAND NEW, Report of the FAO Workshop on Child Labour in Fisheries and Aquaculture in Cooperation With ILO, Food and Agriculture Organization of the United Nations, This workshop was organized by FAO in cooperation with ILO to generate inputs and guidance to the contents and process of developing guidance materials on policy and practice in tackling child labor in fisheries and aquaculture. Child labor often reinforces a vicious cycle of poverty and has a negative impact on literacy rates and school attendance and limits children's mental and physical health and development. The workshop participants agreed on a series of recommendation relating to legal measures, policy interventions and practical actions including risk assessments to address child labor issues in fisheries and aquaculture.
