in the subject English - Pedagogy, Didactics, Literature Studies,
grade: 1,7, University of Münster (Englisches Seminar), language:
English, abstract: The use of literature in the second language
classroom can be legitimated in different ways. Today's methods
of second language acquisition (SLA) put emphasis on working
with literature which offers a great range of opportunities to
familiarize a learner with a foreign language. However, it is not
just the aspect of learning or acquiring a second language when
dealing with literature. Furthermore, the work with literature
includes social and cultural as well as empathetic aspects. Thus,
dealing with literature, whatever genre of literature is touched, is
highly manifold and undoubtedly of a high value. According to
Wolfgang Gehring, the short story, besides the novel, is one of
the genres which is used most frequently in school. The short
story has many uses concerning the field of didactics: it can be
used for introducing different topics and for accustoming the
learner to different methods of interpretation. In addition,
working with literary texts,...

This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that I am sure that I will go on reading it yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.
