TOM SWIFT AND HIS ELECTRIC RUNABOUT; OR, THE SPEEDIEST CAR ON THE ROAD

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Father, exclaimed Tom Swift, looking up from a paper he was reading, I think I can win that prize! What prize is that? inquired the aged inventor, gazing away from a drawing of a complicated machine, and pausing in his task of making some intricate calculations. You don't mean to say, Tom, that you're going to have a try for a government prize for a submarine, after all. No, not a submarine prize, dad, and the youth laughed. Though our Advance would take the prize away from almost any other under-water boat, I imagine. No, it's another prize I'm thinking about. What do you mean? Well, I see by this paper that the Touring Club of America has offered three thousand dollars for the speediest electric car. The tests are to come off this fall, on a new and specially built track on Long Island, and it's to be an endurance contest for twenty-four hours, or a race for distance, they haven't yet decided. But I'm going to have a try for it, dad, and, besides winning the prize, I think I'll take Andy Foger down a peg.
