*A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.*

## I FOUGHT THE LAW

Transworld Publishers Ltd. Paperback. Book Condition: new. BRAND NEW, I Fought the Law, Dan Kieran, Originally intended to be a simple Christmas humour book, "I Fought The Law" ended up becoming something rather different. The premise was simple enough. Dan was going to spend a year trying to break as many stupid old laws as he could find, for your amusement. You see there are loads of ridiculous laws on the statute book. It is still illegal to beat a carpet in the Metropolitan Police District, to take possession of a beached whale or to get within a hundred yards of the Queen without wearing socks. The list goes on and on. But in the process of researching these silly old laws Dan found a glut of stupid legislation that was equally ridiculous, but these laws had one thing in common - they'd all been passed by our current Government. Lifting up this legal concrete slab in the garden of England, however, caused all sorts of creepy crawlies to emerge that began to cast doubt on the health of the nation, so Dan's adventure began to change tack. His journey ended up taking him all across the country where he found some unlikely heroes fighting back. Meet: Dorothy, who spent days living on the roof of a bus station in Derby; a group of pensioners, who were forced to let off stink bombs in a court of law; the man who dresses like Chaplin's tramp and keeps getting arrested outside Downing Street; and, one woman who got...
