

## Never Odd or Even

Filesize: 2.89 MB

### ***Reviews***

*This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.*

*(Prof. Loyce Runolfsson Jr.)*

Ransom Publishing. Paperback. Book Condition: new. BRAND NEW, Never Odd or Even, John Townsend, 'I'm at that special age: 12. It's one of my favourite numbers. 12 isn't just the sum of 10 (the base of our whole amazing number system) and 2 (the only even prime number in the universe) but it is the first number with 1, 2, 3 and 4 as factors. I reckon that is so cool.' Here's a detective story with a difference. Elliot is twelve - and he thinks outside the box. He can't help it. Numbers are his thing - and letters. So when 'the biggest mystery that struck our school in the history of the world' needs to be solved, Elliot is the one to call on. But this time the solution doesn't lie in the real world (or in the 'real' world of the story). Instead, the solution lies inside the book itself - only it's locked away in a series of puzzles and palindromes. Can you find the clues, solve the puzzles and find the culprit? Never Odd Nor Even is part of the Cold Fusion series, published by Ransom Publishing, a specialist children's publisher. The series is designed for more able readers, gifted and talented children, and those who are curious, enjoy a challenge and like thinking outside the box. Never Odd or Even is ideal for more able readers aged 9 - 12 with a reading age of 12 + .
