*This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.*

The search unfolds first in jungle lustful environments of the tributaries of the Amazon River, on the border between Peru and Brazil, and in the forests of Peruvian highlands afterwards. But the expedition has attracted the attention of dangerous people who are looking for Paititi by its riches, which they seek to put at the service of a world power restoration project. A former Soviet intelligence leader commands a gang of mercenaries of many nationalities. Finally, a strange millennial group of alleged descendants...
