

Crime and Punishment: With Selected Excerpts from the Notebooks for Crime and Punishment (New edition)

Filesize: 5.05 MB

Reviews

This pdf might be well worth a study, and a lot better than other. It really is simplistic but excitement inside the fifty percent in the book. Its been printed in an exceedingly straightforward way which is just after i finished reading this ebook through which really modified me, modify the way i believe.

Wordsworth Editions Ltd. Paperback. Book Condition: new. BRAND NEW, Crime and Punishment: With Selected Excerpts from the Notebooks for Crime and Punishment (New edition), Fyodor Dostoyevsky, Constance Garnett, Keith Carabine, Keith Carabine, Translated by Constance Garnett with an Introduction and Notes by Dr Keith Carabine, University of Kent at Canterbury. Crime and Punishment is one of the greatest and most readable novels ever written. From the beginning we are locked into the frenzied consciousness of Raskolnikov who, against his better instincts, is inexorably drawn to commit a brutal double murder. From that moment on, we share his conflicting feelings of self-loathing and pride, of contempt for and need of others, and of terrible despair and hope of redemption: and, in a remarkable transformation of the detective novel, we follow his agonised efforts to probe and confront both his own motives for, and the consequences of, his crime. The result is a tragic novel built out of a series of supremely dramatic scenes that illuminate the eternal conflicts at the heart of human existence: most especially our desire for self-expression and self-fulfilment, as against the constraints of morality and human laws; and our agonised awareness of the world's harsh injustices and of our own mortality, as against the mysteries of divine justice and immortality.
