

A Better Yesterday: Living Life After Abuse

By Roger Dean Kiser

Health Communications. Paperback. Book Condition: new. BRAND NEW, A Better Yesterday: Living Life After Abuse, Roger Dean Kiser, At age fifty-two, Roger Dean Kiser, a survivor of physical, verbal, and sexual abuse, came to the realization that the future did not hold the promise of the "better tomorrow" he had always hoped for and so began to search his past for answers. It was in that past that he finally found the happiness and comfort he had always sought. For too long he had allowed the lies and the abuse he suffered at the hands of his "caretakers" define his past. Now, he focuses on the positive things he did experience throughout his life, and in "A Better Yesterday: Life After Abuse," he shares those stories-stories of the kind people, loving animals, and heart-warming events that comforted him even in the darkest times, shaping him into the caring person he is today. "A Better Yesterday" takes you into a small boy's big, but confused heart; a young man's search for goodness; a prisoner's view of what is still good; a grown man's desire to be of service; and a grandfather's overflowing love for his little ones.
