Comprehensive guide! Its this type of very good read through. It is actually writter in simple words and phrases rather than difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

E-Booktime, LLC, United States, 2011. Paperback. Book Condition: New. 213 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.One in Spirit is a story of Reverend Fatima Heath s spiritual journey and many spiritual experiences that persons have shared with her in regard to mediumship, psychic readings, and physical phenomena of a supernatural nature. Fatima finds answers to Life after Life and more. The death of her nephew, Bobby at a young age of 21 was the impetus that started her on a spiritual quest. This search took her to book stores, psychics, mediums, meditation classes and the religion of Spiritualism. Your loved ones die a physical death but live on in a spiritual world. They are only truly dead to us when we stop thinking of them, closing the door to their memory. These spirits have things to accomplish in the spirit world. When we refuse to acknowledge their spiritual existence then they move on; however, if you think of them often and keep their memory alive in thoughts, prayers and stories they will remain close to you. Our loved ones will help us in whatever way they can. The beautiful religion of Spiritualism helps us to develop our spiritual gifts of prophecy, mediumship and healing. We have control of spirit s presence in our lives. The choice is ours. Fatima Heath believes that she has found more than she was looking for. She found information about the God connection and real us, who is more than we know. If we are only thinking with our earth-mind consciousness, we are missing out on the purpose of the earth plane life and how it connects to the God spark which is in all of us. The main purpose of this book is to awaken us to...
