

## The Death of Kings: Royal Deaths in Medieval England

Filesize: 4 MB

### ***Reviews***

*This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.*

## THE DEATH OF KINGS: ROYAL DEATHS IN MEDIEVAL ENGLAND

Bloomsbury Publishing PLC, United Kingdom, 2007. Paperback. Book Condition: New. New edition. 231 x 155 mm. Language: English . Brand New Book. A king s death was a critical and highly dramatic moment, often with major political consequences. Death in battle, whether that of Harold at Hastings or Richard III at Bosworth, could end a dynasty, while the secret murders of Edward II, Richard II and Edward V blighted the fortunes of their murderers. The Death of Kings is an account of what is known about the deaths of medieval kings, whether natural, violent or accidental (as William Rufus s death while out hunting in the New Forest). It shows how contemporaries and later writers, including Shakespeare, drew morals from such deaths and about the characters of individual kings, giving these deaths an imaginative and symbolic resonance that has lasted until the present day. Full of fascinating detail and personal information about the characters and attitudes of English kings and queens, The Death of Kings is a unique window into the heart of medieval society.
