Reviews

This written publication is wonderful. It is probably the most incredible publication i actually have read through. Its been written in an extremely basic way in fact it is merely following i finished reading this publication where basically transformed me, alter the way i believe.
(Adan Fritsch)

Effect of the War on the Supply of Raw Materials of Industry (a) The effect of the Blockade, bringing out its steady increase. (6) The effect of the import and export prohibitions made by the several states. The effect of the Austrian import and export prohibitions. The effect of the prohibitions made by foreign, allied or neutral states. (c) The actual extent of the importation of foreign raw material. Treaties of assistance with allied states, treaties of compensation with neutral states, the part played by smuggling and running of the blockade. (d) The importance of the home supply of raw materials, especially the effect of the gradually increasing economic separation from Hungary on the supply of raw materials for Austrian industry. (c) The course of prices of raw materials in connection with the condition of the Austrian currency. 2. Effect of the War on Production (a) The diversion of industry to the supply of military requirements and its reaction on production. In this connection will be described, in as detailed a manner as possible, the diversion of raw materials and labor to war industry, and its growth at the expense of the industries supplying civil requirements. In general three groups of industries may be distinguished in this connection: Industries which, while remaining unchanged as regards the extent of production, have altered the direction of their production and now...
