

## Great American Women of the 19th Century: A Biographical Encyclopedia

Filesize: 5.05 MB

### ***Reviews***

*This pdf might be well worth a study, and a lot better than other. It really is simplistic but excitement inside the fifty percent in the book. Its been printed in an exceedingly straightforward way which is just after i finished reading this ebook through which really modified me, modify the way i believe.*

Humanity Books, 2004. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Containing 1,500 biographies and more than 1,400 photographs or portraits, this extraordinary encyclopedia, originally published in 1897, documents the lives and achievements of remarkable American women who lived during the nineteenth century. Frances E. Willard and Mary A. Livermore, two extraordinary women in their own right, compiled this massive work toward the end of Their own very accomplished lives to demonstrate that women were a rising cultural and intellectual force to be reckoned with. Providing a window into the 19th-century world of white middle-class women over three generations, the encyclopedia provides a benchmark of the growth in women's consciousness of themselves as a gender class. Among the many women profiled some are still well-known today: Louisa May Alcott, author of "Little Women; famed nurse and humanitarian Clara Barton; America's best-known female composer, Mrs. H. H. A. Beach; theosophist Helene Petrovna Blavatsky; America's first woman lawyer, Myra Bradwell; mentalhealth pioneer Dorothea Dix; Harriet Beecher Stowe, widely read author of "Uncle Tom's Cabin; and suffragists and women's rights advocates Susan B. Anthony, Matilda Joslyn Gage, Lucretia Mott, Lucy Stone, and Elizabeth Cady Stanton. An insightful introduction by feminist sociologists Patricia Lengermann and Jill Niebrugge-Brantley synthesizes the lives of Frances E. Willard and Mary A. Livermore, evaluates their contributions, and analyzes the sociological implications of this monumental project.
