Shortsleeves, United States, 2011. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.Mase Russell chooses to manifest on Earth as a human with Downs syndrome in order to show us that we are more than we have perceived possible. He reveals that we are living behind the veil of this beauty shop we call life, blinded by materialism, greed, and ego-centric notions that distort the true beauty of our spiritual selves. Through Mase s love, poetry, and art, his two moms Cindy and Margie; his biological donor and surrogate father Alan; and his grandparents Warren and Claire, we learn that we are living parallel lives in other dimensions. After a near-death experience that changed their marriage and every aspect of their lives, Warren and Claire convert their Nashville acreage into Perception Farms, an eco-friendly community where homeless people are restored to dignity and productivity through education, understanding, and spiritual awareness. Follow the Russell family as they expand their minds and the outreach of their commune through wisdom and a love strong enough to change the world. Depicting fantasy-like scenery and utmost respect for Mother Nature, Living Behind the Beauty shop will inspire readers to accept diversity, honor all life, and live in a higher awareness of truth.
