It is one of the most popular ebooks. Better than ever, though I am quite late in starting to read this one. You will not feel monotony at any moment of your own time (that's what catalogs are for about when you request me).

Random House USA Inc, United States, 2001. Paperback. Book Condition: New. Reissue. 173 x 104 mm. Language: English . Brand New Book. In eighteen years of marriage, Liz and Jack Sutherland had built a family, a successful law practice, and a happy home near San Francisco, on Hope Street. Then, in an instant, it all fell apart. It began like any other Christmas morning. But for Jack Sutherland, a five-minute errand ends in tragedy. And suddenly, Liz is alone, in the wake of an unbearable loss. How can she go on without her husband, her partner, her best friend? How can she grieve when she must console five devastated children, including one with special needs? Powered by her children's love, Liz finds the strength to return to work, to become both mother and daddy. One by one the holidays come and go, until a devastating accident sends her oldest son to the hospital and brings Dr. Bill Webster into her life. Bill becomes a friend to Liz as he slowly heals her shattered son. With the first anniversary of Jack's death approaching, and with it another Christmas in the house on Hope Street, a new relationship offers new hope, and Liz reflects on the little blessings that give strength when nothing else is left. But she will face one more crisis before she can look ahead to the beginning of a new life. The House on Hope Street is about learning to live again after you think life is over. It is about cherishing small miracles, and believing in big ones. It is above all about hope.
