Brand New Book ***** Print on Demand *****.This memoir is a nostalgic and often amusing collection of essays based on the author s experiences during the War Between the States. Eggleston describes life in Virginia before the war, offers glowing assessments of the men who made up the Confederate army, satirizes the Confederacy s finances and its army s red tape, and recollects the war s end. He provides compelling portraits of his heroes from the war, lavishing praise on Robert E. Lee, Stonewall Jackson, and especially J.E.B. Stuart.
