Vij Books India Pvt. Ltd., New Delhi, India, 2009. Softcover. Book Condition: New. If so many laws are needed to govern peoples relationships with each other, it is because love does not yet live in them. Once they know what real love is, once they live with this love, they will no longer need laws to remind them what they can or cannot do, they will just do it, for they will spontaneously find how to harmonize with each other. Love is the one and only force that organizes all things and makes them grow and blossom. When there is love in a family, a community or a society, there is no longer any need to say, Do this, and there'll be trouble if you don't! Everyone performs their task with pleasure. Wherever there is love, there is no need for laws. Printed Pages: 393.
