CAMBRIDGE UNIVERSITY PRESS, United Kingdom, 2012. Paperback. Book Condition: New. Reissue. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This 1989 second volume of Professor Williams translation of al-Tabari s account of the early Abbasi empire focuses on the reigns of the son - al-Mahdi - and grandsons - al-Hadi and Harun al-Rashid - of Caliph al-Mansur, the subject of the first volume. This was the Golden Prime of the empire, before the civil war between the sons of al-Rashid and the movement of the capital away from Baghdad. Also considered is the story of the Persian aristocratic family, the Barmakis, who became the real rulers under the indolent al-Rashid, until he destroyed them in a rage which astonished his contemporaries. The events are narrated through the reminiscences of eyewitnesses, woven together by the great historiographer al-Tabari (d. 923). The translator of the volume is an Islamicist who has lived many years in the Arab world and has a rare knowledge of its culture and literature.
