Dept. of Education, 2006 OCLC Number: (OCoLC)74323362 Subject: Academic achievement -- United States -- Statistics. Excerpt: . . . Foreword This report describes patterns of continuity and change between the spring 2002 high school sophomores from the Education Longitudinal Study of 2002 ( ELS: 2002 ) base-year study, the spring 1990 sophomores from the National Education Longitudinal Study of 1988 ( NELS: 88 ) first follow-up study, and the spring 1980 sophomores from the High School and Beyond ( HS and B ) base-year study. All three studies were sponsored by the U. S. Department of Education, National Center for Education Statistics ( NCES ) and help fulfill a major purpose of NCES national education longitudinal studies, which is to provide comparative data at different points in time that are germane to education policy and permit examination of patterns relative to education, career development, and societal roles. At a time when considerable national focus has turned to high school reform, the report provides timely information on major trends at...
