SHYLOCK AND THE JEWISH QUESTION

[DOWNLOAD](#)

U.S.A / The John Hopkins University Press, Baltimore, Maryland, U.S.A., 1999. Soft cover. Book Condition: New. No Jacket. Though the book focuses on the Jewish question, it has larger implications for our thinking in a number of areas:- the rise of liberal democracy, the development of religious toleration, the relation of church and state, and the interrelation of politics, economics, and religion-in short, a whole range of issues basic to the conception of modernity. The author challenges the widespread assumption that Shakespeare is, in the final analysis, unfriendly to Jews. He finds that Shakespeare's consideration of Judaism in *The Merchant of Venice* provides an important contrast to Marlowe's virulent *The Jew of Malta*. In many ways, he argues, Shakespeare's play is even more accepting than Francis Bacon's notably inclusive *New Atlantis* or the Jewish philosopher Benedict Spinoza's argument for tolerance in the *Theologico-Political Treatise*. Part of the 'John Hopkins Jewish Studies' series of books. A 1st edition paperback, in new condition. (210 pages & 10 pages of introduction).
