Reviews

Excellent electronic book and helpful one. It usually does not cost a lot of. I am quickly will get a pleasure of reading through a written publication.

(Bernardo Feeney Jr.)

Vintage London Random House UK Apr 2008, 2008. Taschenbuch. Book Condition: Neu. 178 mm. Neuware - The midnight hour approaches in an almost empty all-night diner. Mari sips her coffee and glances up from a book as a young man, a musician, intrudes on her solitude. Both have missed the last train home. The musician has plans to rehearse with his jazz band all night, Mari is equally unconcerned and content to read, smoke and drink coffee until dawn. They realise they've been acquainted through Eri, Mari's beautiful sister. The musician soon leaves with a promise to return before dawn. Shortly afterwards Mari will be interrupted a second time by a girl from the Alphaville Hotel; a Chinese prostitute has been hurt by a client, the girl has heard Mari speaks fluent Chinese and requests her help. Meanwhile Eri is at home and sleeps a deep, heavy sleep that is 'too perfect, too pure' to be normal; pulse and respiration at the lowest required level. She has been in this soporific state for two months; Eri has become the classic myth - a sleeping beauty. But tonight as the digital clock displays 00:00 a faint electrical crackle is perceptible, a hint of life flickers across the TV screen, though the television's plug has been pulled. Murakami, acclaimed master of the surreal, returns with a stunning new novel, where the familiar can become unfamiliar after midnight, even to those that thrive in small hours. With *After Dark* we journey beyond the twilight. Strange nocturnal happenings, or a trick of the night 208 pp. Englisch.
