WHO PUT THE COOKIES IN THE COOKIE JAR?

Henry Holt and Co. (BYR), 2013. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "Shannon and Paschkis provide a charming multicultural answer to the title question, creating in the process a confection that, while it may be most appreciated by socially conscious adults, will tempt young appetites as well." -- Kirkus Reviews "An appealing way to introduce the globalization of our food sources for the very young." -- School Library Journal "This simple package provides a thought-provoking and positive global concept of product development that can be explored on a variety of levels. A recipe for sugar cookies is included at the end." -- The Horn Book "Paschkis's (Apple Cake) mural-like spreads, with their warm colors and characters who exemplify a rock-solid work ethic and optimistic outlook, bring to mind a WPA aesthetic, with a little Lois Lenski and Virginia Lee Burton for good measure." -- Publishers Weekly "A hand dives into a cookie jar to pull out a treat. But how many hands were needed to put the cookie there in the first place? With a text as simple as the pictures are stylized, this is a charming look at the process." -- Booklist.
