A well crafted fictional account of a real life situation too common in the USA, the prospect of losing a small town s ambiance along with its farm lands. Tied to the land and each other in complex ways, the characters are Ohio angels with halos slightly askew. The truth of this story made my heart sing. Phyllis Wilson Moore, Independent Researcher, West Virginia Literature, Clarksburg, WV A story of two men and a village who find their heart s desire - and their family roots - in their own backyard. The characters are original fiction, but the fight to save the farm is real. And the fight continues, every day, all across the nation.
