

## Analyzing International Environmental Regimes: From Case Study to Database (Mixed media product)

---

By Helmut Breitmeier, Oran R. Young, Michael Zürn

MIT Press Ltd, United States, 2006. Mixed media product. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book. Regime theory has become an increasingly influential approach to the analysis of international relations, particularly in the areas of international political economy and international environmental politics. The conceptual appeal of the idea of governance without government --in which a combination of different organizations and institutions supply governance to address specific problems--reflects a world in which the demand for governance is great but the familiar mechanisms for supplying it are weak. Most research on international regimes employs qualitative methods, often using case studies to develop larger theoretical arguments; but a lack of standardization makes comparative analysis difficult. Analyzing International Environmental Regimes introduces the International Regimes Database (IRD), an important methodological innovation that allows scholars to adopt a quantitative approach to the study of international regimes. The IRD is a relational database that makes it possible to compare records on specific aspects of a number of international environmental regimes that are coded using a single, well-defined set of concepts, definitions, and scales. The book first describes the database and discusses a number of methodological, technical, and architectural issues. It then illustrates...

### Reviews

*This book is definitely worth acquiring. I have go through and so i am certain that i will likely to read through again again in the future. Its been printed in an exceptionally basic way in fact it is only after i finished reading this publication in which actually altered me, change the way in my opinion.*

-- **Andres Bashirian**

*Comprehensive guide for publication fanatics. This really is for all who statte there had not been a well worth reading through. I discovered this ebook from my dad and i encouraged this book to find out.*
