Reviews

An extremely wonderful pdf with perfect and lucid information. Better then never, though i am quite late in start reading this one. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Elenor Koch PhD)

INTERNATIONAL OLYMPIC GAMES (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from International Olympic Games It is estimated that last year 30,000,000 people attended ball games in this country alone. That shows the interest our country is taking. From the time our youth start in the public schools - Rev. Mr. Moran will address you, showing the trend of public thought along the line of physical training in their schools - up to the time they go to college, the Young Men s Christian Associations and the Young Women s Christian Association gymnasiums, the athletic clubs, and other similar institutions accentuate the interest taken generally in amateur athletic sports. This tendency is so great that I think the time will come when that influence is bound to have national recognition, just as it has local recognition, through municipal playgrounds, and so on. The tendency all along indicates that the time has come when we must have more attention paid to physical training; and that could not in any way be more emphasized, or have a greater impetus given to it, than by having these international games come to the United States in 1916. The reason why Cleveland was decided upon at the national convention of the Amateur Athletic Union, held in New York on November 5, was that we are located practically within one night s ride of half of the population of the United States, and we also are within 15 to 20 hours ride of 50,000,000 people. The water sports in connection with these international Olympic games - yachting, motor boating, and so on - are a very important item. We have Lake Erie within 500 yards of our business section. We have two or...
