Identity Theft Victim: Help and Support After the Crime provides REAL answers for victims of Americas fastest growing crime who are crying out for sensible, unambiguous and reality-based assistance. This refreshingly pragmatic book speaks to victims weighed down by ineffective advice, vague responses and no solution attitudes. It acknowledges creditors guilty until proven innocent mind-sets and a society that gives thieves, impostors and con artists a mere slap-on- the-wrist. Identity Theft Victim: Help and Support After the Crime provides insight, knowledge and answers to real issues and circumstances facing todays identity theft victims. Quickly distinguishing itself from the pack of identity theft books, it unabashedly acknowledges the sad but true fact that identity fraud victims typically find themselves victimized twice, once by their impostor and then again by the present system! Under this known but seldom discussed reality, Identity Theft Victim offers support and the tools for victims to work within a system that is presently antiquated, overwhelmed and impractical. Written by a former identity theft victim in response to numerous requests to share her story, her experience and her success, Ms. White meticulously details the practical plan that turned her agony into answers and her trauma into triumph. Most importantly, Identity Theft Victim: Help and Support After the Crime fulfills the promise of providing victims with the knowledge, assistance, support and strategies to help them prove their innocence and victim status along with important organizations, contacts, sample letters and the tools that change panic and procrastination--into unrelenting persistence and perseverance! This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
