

Electric City

By Elizabeth Rosner

Audible Studios on Brilliance, United States, 2016. CD-Audio. Book Condition: New. Unabridged. 171 x 133 mm. Language: English . Brand New. Upstate New York, at the confluence of the great Hudson River and its mighty tributary the Mohawk from this stunning landscape came the creation of a new world of science. In 1887, Thomas Edison moved his Edison Machine Works here and in 1892, it became the headquarters of a major manufacturing company, giving the town its nickname: Electric City. The peak of Autumn, 1919: The pull of scientific discovery brings Charles Proteus Steinmetz, a brilliant mathematician and recent arrival from Ellis Island, to town. His ability to capture lightning in a bottle earns him the title Wizard of Electric City. Barely four feet tall with a deeply curving spine, Steinmetz's physical deformity belies his great intellect. Allied with his Mohawk friend Joseph Longboat and his adopted eleven-year-old granddaughter Midget, the advancements he makes in Electric City will, quite simply, change the world. The peak of Autumn, 1965: Sophie Levine, the daughter of a company man, one of the many scientists working at The Company, whose electric logo can be seen from everywhere in town. Her family escaped Europe...
