POSITIVE EXPECTATIONS: THE ANCIENT SECRETS OF SUCCESS

Createspace, United States, 2009. Paperback. Book Condition: New. 224 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.POSITIVE EXPECTATIONS is a fascinating journey, inspired by mysterious ancient texts, to discover the universal secrets of abundance and achievement. These are the secrets - quietly passed from generation to generation - that have empowered just two percent of the world's population to control over eighty percent of the world's wealth. Ancient documents refer to the mystery of right thinking and the magic of believing. Twentieth century authors taught it as the power of positive thinking. or the law of attraction. Today, this ancient principle is better identified as positive expectations. Scientific research reveals that students learn better, patients recover faster, businesses are more innovative, and individuals are more successful through the use of POSITIVE EXPECTATIONS.
