THE EYE WITNESS: MH370 THE MISSING TIME

Createspace, United States, 2015. Paperback. Book Condition: New. MR Stephan Nebel (illustrator). 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.The EYE WITNESS is the end product of a very interesting interview. Mrs Wolff (not her real name) has had a very mysterious experience that she has kept secret for some time. However, she has seen it proper to come out now and tell the world about it. She begun by telling her family and friends. It surprised her that none of them doubted her sanity like she d expected them to. She went on to tell even larger groups of people who thought she may have the answers. The response she got has made her want to have a book written. Sadly, she did not have the likelihood to be interviewed by any great Media, but she says modestly, she doesn t need such honors and it really doesn t matter. She has no doubt in her mind that what she has to say will shock many who hear or read it. She believes this may encourage many more people to come out and reveal what really happened to Malaysian MH370 and what happened on the ground, on the morning it disappeared and days following. She claims radar and satellite images were vividly recorded. There is no information blackout like we have been led to believe. She urges those with influence to demand for the Tower-Pilot communication Audiotapes. She is convinced that there is more than meets the eye, right there. Like everyone else on the globe, she has waited long and patiently for the recovery of the plane which everyone in the search seems sure . ended in the Indian Ocean. We have watched searches in the wrong stretches of water and...
