Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Proceedings of the Essex Institute, Vol. 3: 1860 to 1863 The Report of the Secretary was read and accepted. The Report of the Treasurer was read and referred to the Finance Committee. The Reports of the several Curators were read and accepted. These Reports present a careful review of the doings of the Institute during the year. Though no striking event has occurred, yet the increase of the Library, the addition of specimens to the Cabinets and the general interest of the public to promote the objects of our organization, indicate a gradual and healthy growth. A brief synopsis is herewith appended. Since the last annual gathering nine of our members have deceased - a larger number has occurred than that of any previous year; no distinction has been made in respect to age - the young just entering upon the active duties of life, those in middle age, and those who, after many years of usefulness, have at length been gathered to their lathers. 1st - Rev. Gardner Braman Perry, D.D., the venerable pastor of Groveland. He was one of the first Vice Presidents of the Essex County Natural History Society, and, in the early organization of the Society, took a lively and deep interest in its success. It was, at that time, a day of small things, and he labored much to excite an interest in the study of the natural sciences and its kindred pursuits, agriculture and horticulture. All institutions, promotive of these objects, received always his cordial aid and support. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
