

Postmodern Geographies: The Reassertion of Space in Critical Social Theory (2nd)

By Edward W. Soja

Verso Books. Paperback. Book Condition: new. BRAND NEW, Postmodern Geographies: The Reassertion of Space in Critical Social Theory (2nd), Edward W. Soja, Postmodern Geographies stands as the cardinal broadcast and defence of theory's spatial turn. From the suppression of space in modern social science and the disciplinary aloofness of geography to the spatial returns of Foucault and Lefebvre and the construction of Marxist geographies alert to urbanization and global development, renowned geographer Edward W. Soja details the trajectory of this turn and lays out its key debates. An expanded critique of historicism and a refined grasp of materialist dialectics bolster Soja's attempt to introduce geography to postmodernity, animating a series of engagements with Heidegger, Giddens, Castells, and others. Two exploratory essays on the postfordist landscapes of Los Angeles complete the book, offering a glimpse of Soja's new geography carried into its highest register.

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Ally Reichel**

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You won't feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
