Talented, beautiful, just starting out with her first job, new apartment and boyfriend, she had the world in the palm of her hand until a single phone call altered the course of her life forever. Overnight, she became the mother to her sister's three orphaned children, keeping a promise she never regretted making, even if it meant putting her own life indefinitely on hold. Then, just when least expected, a chance encounter changes Annie's life yet again in the most unexpected direction of all. From Manhattan to Paris and all the way to Tehran, Family Ties is a novel that reminds...
