Reviews

It is great and fantastic. I actually have read and so i am certain that i am going to going to go through once again yet again in the future. I realized this ebook from my dad and i encouraged this book to find out.

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Handbook for Travellers in Holland and Belgium: With Maps and Plans The Guide Books which preceded the Handbooks were for the most part either general descriptions compiled by persons not acquainted with the spots, and therefore imperfect and erroneous, or local histories, written by residents who did not sufficiently discriminate between what is peculiar to the place, and what is not worth seeing, or may be seen equally well or to greater advantage somewhere else. They were often mere reprints of works published many years before, by no means corrected or brought down to the day; and whether accurate or not originally, are become, from the mere change which each year produces, faulty and antiquated. The principle upon which the Handbooks are constructed is that of obtaining the information on the spot, and not from books only. The writer of the Handbook has endeavoured to confine himself to matter-of-fact descriptions of what ought to be seen at each place, and is calculated to interest an intelligent English traveller, without bewildering his readers with an account of all that may be seen. This volume is so arranged as to be fitted for the use of the English traveller: it is complete in itself as far as it goes, and is intended to preclude the necessity of resorting to any local Guide Book in the countries which it professes to describe. Should the book be found to possess any superiority over others of its class, it is because it is based upon a personal knowledge of the countries described; since those routes which have not been travelled over by the author himself have, with very few exceptions,...
