In my early years we lived in Watts, on 113th street, and attended Mona Park elementary school. We moved to Compton, CA when I was in the second grade. I graduated from Enterprise Junior High School and Centennial Senior High School. After graduating from high school, I realized that I was just barely qualified to work in a car wash. I joined the Air Force in 1964 and served for four years as a data processing technician. After being honorably discharged in 1968, I worked as a computer operator and programmer while going to school full time on the G. I. Bill. I graduated from La Verne University with a degree in Sociology in 1974 and thought I was ready to change the world. Unfortunately, the world had other ideas! I went back into data processing. I guess these books are an attempt to make a statement before my time, in this world, is up. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
