Creative Team Publishing, United States, 2015. Paperback. Book Condition: New. Study Guide ed.. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.In this Study Guide we ask thought-provoking questions to help you on your journey of faith--questions related to the experiences of people written about in Finding God in Silicon Valley, and to biblical concepts they wrestled with. How did they get beyond the trappings of financial and business success to find God? How did they overcome personal struggle and even tragedy to come to know Christ? How did they reconcile faith and reason and the compatibility of faith and science? And how did they discover meaning, purpose, and a calling for their lives?This study guide and workbook is intended for either personal use or for use by small groups or classes wanting to engage in spiritual conversations about life, faith, God, and Jesus Christ. The purpose is to explore tough questions that allow you to investigate answers yourself. If you are a person who is only mildly interested in faith, are a committed Christian believer, or somewhere in between, this study guide and workbook will help you better understand where you are on your faith journey and where you may want to go. Throughout this guide and workbook you are invited to participate interactively by writing down your thoughts, comments, and commitments. Doing so will help you examine your beliefs, and may change your life.
