Excerpt: . . . 11 dent achievement national content standards are needed. I have strongly supported national voluntary guidelines to help ensure that our mobile population receives a quality education, even if they change schools several times during their K - 12 education. I emphasize the word, voluntary, because as you all know there is a strong feeling in the United States against mandatory federal standards for elementary and secondary education. I trust this hearing will help Congress learn about the best ways we can advance the recommendations presented in the Boards re-port, and I thank our witnesses for being here today, and I espe-cially thank those of you who have worked so hard and so long on this. With that I yield back. The prepared statement of Mr. Ehlers follows: PREPARED TATEMENT OF EPRESENTATIVE ERNON HLERS P S R V J.
